

SILENT DISMISSAL

PARENT

CONNECT

Get Connected & Take Control!

Know the current status of your student in real time via in-app alert messages. Receive alerts when the student leaves the classroom, receive important updates from the school, and get notified when a dismissal change is made.

Control your student dismissal method by day of the week, set overrides to ride with friends, and even send short messages viewable by the teacher and student during dismissal. Go on line to view a short video of all of the features.

shhhh...

*Parent call for students must be enabled by the school. To access all features an annual in-app purchase is required.

Set Normal End of Day Destination for Each Student & Create Daily Overrides to Match Your Needs
